ACROSS THE BOTTOM OF EACH SCREEN THERE IS A GREEN TIMER BAR. FINISH THE LEVEL BEFORE TIME RUNS OUT, OR LOSE A LIFE! THE FASTER YOU COMPLETE EACH LEVEL, THE HIGHER YOUR SCORE.

LEVEL 1:

Loose in the City

Make your way through the city, and rack up 100 points per brick by catching the bricks the Inspector is dropping from above! Any brick you fail to catch makes a hole in the sidewalk you must either fill in by catching more bricks, or jump over by pressing the joystick up and to the right. Be careful, though. Fall in a hole, and you lose one of your six precious kitty lives!

TIP:

Gain 100 extra points per brick by using the Fire button to catch 'em with your tail!

LEVEL 2:

Up to the Roof

Work your way through the three levels of elevators by approaching a door, and hitting the Fire button to select it. Get lucky, and have a smooth ride to the next level. But it's a big city, and the elevators get used a lot. Be prepared to avoid whatever comes out the door, using your joystick to jump or duck, or use the Fire button to quickly choose another elevator door.

LEVEL 3:

The Big Heist

Almost there! The Pink Panther diamond is almost in your grasp!! All you have to do is jump onto the moving platforms, and then time things right to grab the swingin' rope, and put the snatch on the big rock. All without getting wet. Simple, huh?
