# FLAPPY
INSTRUCTIONS

If you thought flying to nowhere was hard...
now they've placed perilous pipes in your path!

In Flappy by AtariAge, your challenge is to
attend to your avian ally at an altitude avoiding
alloy aerial aqueducts. How far will you fare?

SPECIAL FEATURES OF FLAPPY

Begin your game by pressing the button to flap. The more you
flap, the higher you climb. Line up your bird between the
oncoming pipes. Each pipe passed earns one point.
Run into a pipe, Oh! it's game over!
Tip: Holding down the button will let you glide a moment before
falling.
