

Dear Activision SKY STAR:

Congratulations! Like a true expert, you beat a time of 37.00 seconds on Game 1 of Sky Jinks, without missing a single pylon. That is a major aeronautical achievement you should be proud of.

We hope you come down from your P41 racer long enough to accept your (enclosed) official emblem of the Activision "Sky Stars." It permanently marks you as a master stunt pilot with raw courage in the face of obstructing balloons.

Your name will be added to our mailing list and you'll receive Activisions, the newsletter that reports on new Activision game cartridges, designers, special contests, and experiences of our other video game fans around the country.

Thanks for writing to share your accomplishment with us. We hope you will try for membership in our other clubs and write to us about your experiences.

Cordially,
