

Dear Activision Spider Fighter:

Congratulations! You're better than pesticide. You scored 40,000 or more points on the regular game level of Spider Fighter. It looks as if the bugs around your house will never get a moments peace.

We know it wasn't easy to hit 40,000 in this game. Those Stingers and Green Widows have zapped even the best video gamers. It took plenty of cool and stamina to protect your fruit harvest against those lousy bugs. So, now that you've made it safe again to walk the orchards, please accept your (enclosed) official emblem of the Activision "Spider Fighters." You've earned it!

Your name has been added to our mailing list and we shall keep you informed on new Activision game cartridges as they become available. You will also be receiving the quarterly Activision Newsletter so that you can read about the experiences of our other video game fans around the country.

Thank you for sharing your accomplishment with us. We know you will enjoy our other video game cartridges and wish you success in trying for membership in our many clubs. Please write to us about your experiences.

Cordially,
